Summary

The following is a summary of the Academy's involvement with AnimAction Inc., this program works with middle schools in the Los Angeles Unified School District, working with students from the ages of 10-14. Teaching them the basic skills in animation and helping them develop a PSA dealing with different topics such as drug abuse, smoking, and child abuse. The Academy students earn \$100 per day; many of the students work 4 days per week. They hired 7 of our Academy student:
